

Find the right fit for your HIPAA needs with a tiered compliance solution by a nationally respected law firm

► Insured or self-insured group health plans, such as medical, dental, vision and flexible spending accounts, are subject to HIPAA Privacy Rule compliance. Ensuring all aspects of the plan are in compliance, however, is no small task. As a Member of United Benefit Advisors[®], we can offer you special HIPAA

Privacy solutions from Fisher & Phillips, a national labor and employment law firm. This tiered solution — a base package and a more extensive option — is an easy and cost-effective way for plan sponsors to satisfy HIPAA Privacy requirements and achieve legally certified compliance.

Why Fisher & Phillips?

A Fit That Works for You: Fisher & Phillips can solve your HIPAA issues using a two-tiered flat-fee package, depending on your level of need:

Base Compliance (\$850)

Fisher & Phillips will interview the plan sponsor via phone to:

- ✓ Identify the plans affected by the HIPAA privacy rules
- ✓ Analyze plan documents
- ✓ Review employer practices
- ✓ Review uses and disclosures of Protected Health Information (PHI)
- ✓ Determine the scope of required compliance

If no additional compliance is required, the plan sponsor will receive a letter describing the plan's HIPAA Privacy compliance and confirm that no additional compliance is needed.

Additional Compliance (\$850)

If additional compliance is required, Fisher & Phillips will provide:

- ✓ All necessary and customized written documentation
- ✓ Policies and procedures
- ✓ Customized snap-on amendment for affected plans
- ✓ Training materials
