HORIZON
AGENCY, INC.

Grant your employees protection and peace of mind with a versatile legal-services benefit

▶ According to the American Bar Association, half of U.S. families cope with some sort of legal matter in a given year. The emotional pressures created by these situations can weigh on an employee's productivity, which in turn can harm your business.

Legal Access Plans offers affordable, preventative legal services and quality lawyers who can help your employees before their issues turn into large, costly problems.

As the largest and oldest legal plan administrator in the industry, Legal Access Plans can offer indemnity and access plans to fit your needs – no matter the size of your workforce – and can assist in a wide variety of personal legal services.

Why Legal Access Plans?

Wide Range of Services: Legal Access Plans can help your clients' employees with such matters as:

- ✓ Budgeting
- ✓ Estate Planning
- ✓ Divorce and child custody
- ✓ College Planning
- ✓ Tax Planning
- ✓ Elder care issues
- ✓ Identity theft
- ✓ Buying a home
- ✓ Contracts and legal documents

Protection for Employer and Employees:

Legal Access Plans gives employees confidential, professional legal services that can solve problems quickly before they balloon into bigger issues. It can help shield the company from risk and liability by acting as an additional 'legal layer' between the company and the employee. In addition, employees cannot use the plan against the employer or fellow employees.

Skilled Attorneys: The highly-educated and well-trained attorneys selected by Legal Access Plans are monitored through a series of periodic reviews and quality-assurance controls.

Proven Reliability: As the oldest legal plan administrator in the industry, Legal Access Plans boasts a consistent 95 percent retention rate for both members and groups.

Easy solution: There are no claim forms, deductibles or co-payments. After enrollment, employees deal directly with Legal Access Plans, so administration of the benefit is easy.
